

Dear Vendors,

The 24th Annual New England Shoulder and Elbow Society meeting is scheduled for February 4-6, 2027 at the Jay Peak Resort in Jay Vermont. A welcome reception on the evening of Thursday February 4 and then full day meeting on Friday February 5. We start at 5:30am on Saturday February 6 and are finished by 12 noon. This is the weekend before the Superbowl. We wanted to get this info to you early as you are critical to the success of this meeting. This is our 24th Anniversary. The program will consist of a variety of interactive didactic and panel discussion sessions with leading shoulder and elbow specialists. The course is designed for orthopedic surgeons who want to enhance their knowledge and skills in the management of shoulder and elbow conditions. It is designed to bring academic and community surgeons together to openly discuss shoulder and elbow topics in a relaxed yet educational environment.

We greatly value your support of the NESES conference. We will be hosting you in the state-of-the-art Hotel Jay Conference Center. The exhibit area is accessible to conference attendees and has a wonderful flow for contact. We will also have the “vendor relaxation” area in the back of the lecture room available for your use. Please note that the Kids Extravaganza is open to all children with drop off at 5pm and pick up before or by 10pm on Friday night.
